

**Bread floor display**

BAC-display is in the line of metal floor display stand, we have produced many display racks like the bread floor display. The company has always been oriented by customer demand and respect for talents, constantly improve their strength, improve service level and quality. With many European and American, Asian and domestic customers, we have established long-term good relationship with common progress. Sincerely expect to join hands with you to create the future.

This Bread floor display is used in the points of sales to showing your own brand bread food products, like the Bread, baked potato chips and so on. This floor display has adjust feet to make the display not shaking, when the floor is uneven ground. The two sides have your breads photos to make the clients easy to see your products. Wire basket shelves make the packing bag more clear and not very heavy weight. This display can be adjust the sizes to fit the shop required sizes. It is one cheaper way to do the advertising for your brand. It has the PVC price list channel in front of each baskets. The Main parameter information is as followed. Contact me if you have more question.
